The member representing the largest shareholder in terms of voting rights shall be appointed chairman of the Nomination Committee. *Item 12 – Resolution on guidelines for compensation of senior executives*

**Guidelines for executive remuneration**

The Board of Directors proposes that the AGM resolves to approve the Board of Directors' proposal for guidelines for executive remuneration. The guidelines encompass salary and other remuneration for the Company's CEO and other senior executives. The guidelines also encompass remuneration to Board members insofar as they receive remuneration in addition to Board fees for services relating to a position covered by these guidelines. The guidelines shall apply to remuneration agreed, and amendments to remuneration already agreed, after adoption of the guidelines at the AGM 2020. These guidelines do not apply to any remuneration resolved by general meeting.

For employments governed by rules other than Swedish, remuneration may be duly adjusted for compliance with mandatory rules or established local practice, taking into account, to the extent possible, the overall purpose of these guidelines.

### **The guidelines promotion of the Company's business strategy, long-term interests and sustainability**

A prerequisite for the successful implementation of the Company's business strategy and safeguarding of its long-term interests, including its sustainability, is that the Company is able to recruit and retain qualified personnel. To this end, it is necessary that the Company offers competitive remuneration. These guidelines enable the Company to offer the executive management a competitive total remuneration.

For information about the Company's business model and strategy, see the Company's website ([www.karnovgroup.com/](http://www.karnovgroup.com/)).

A Long-term share-related incentive plan in form of a share saving program has been implemented in the Company. The plan has been resolved by a general meeting and is therefore excluded from these guidelines. The long-term share-related incentive plan proposed by the Board of Directors and submitted to the AGM 2020 for approval is excluded for the same reason. Unlike the program resolved by the extraordinary general meeting 2019, the proposed plan is directed only to two additional senior executives. The proposed plan follows otherwise similar principles as the long-term incentive program resolved by the extraordinary general meeting 2019. The plans include among others the CEO and other senior executives in the group. For more information regarding these incentive plans, including the criteria which the outcome depends on, please see <https://www.karnovgroup.com/en/incentive-program/>.

#### **Types of remuneration**

Remuneration and other terms and conditions of employment shall be adequate to enable the Company and the group to retain and recruit skilled senior executives at a reasonable cost. The remuneration to senior executives may consist of fixed remuneration, variable remuneration, pension, other benefits and severance payment and it shall be based on principles of performance, competitiveness and fairness. The general meeting can also, irrespective of these guidelines, resolve on, among other things, share-related or share price-related remuneration.

##### *Fixed remuneration*

Each senior executive shall be offered a fixed remuneration in line with market conditions and based on the senior executive's responsibility, expertise and performance.

##### *Variable remuneration*

Variable remuneration may comprise annual variable cash salary and long-term variable pay in the form of cash. Variable remuneration shall be subject to the fulfilment of defined and measurable targets. 60 per cent of the variable remuneration is based on financial performance decided by the Board of Directors based on the Company's financial targets, 20 per cent of the variable remuneration is based on non-financial performance activities decided by Board of Directors to achieve the financial targets and 20 per cent of the variable remuneration is based on individual targets contributing to the overall targets of the Company. This creates incentives to promote the Company's business strategy, long-term interests and sustainability.

The satisfaction of criteria for awarding variable cash remuneration shall be measured over a period of one year. The variable cash remuneration for the CEO may amount to not more than 100 per cent of the total fixed annual salary and the variable cash remuneration for the other senior executives may amount to not more than 75 per cent of the total fixed annual salary. Variable cash remuneration shall not qualify for pension benefits unless otherwise provided by mandatory collective agreement provisions.

To which extent the criteria for awarding variable cash remuneration has been satisfied shall be evaluated/determined when the measurement period has ended. The remuneration committee is responsible for the evaluation so far as it concerns variable remuneration to the CEO. For variable cash remuneration to other executives, the CEO is responsible for the evaluation. For financial objectives, the evaluation shall be based on the latest financial information made public by the Company.

In special cases, agreements may be reached on remuneration of a non-recurring nature, provided such remuneration does not exceed an amount corresponding to the individual's total fixed annual salary and maximum variable cash salary, and is not paid more than once per year and per individual.

##### *Pension*

Agreements regarding pensions shall, where applicable, be premium based and designed in accordance with the level and practice applicable in the country in which the senior executive is employed. The CEO shall receive pension premiums of 10 per cent of the total fixed annual salary. Other senior executives shall receive pension premiums of no more than 35 per cent of the total fixed annual salary.

##### *Other benefits*

Other benefits, such as a Company car, preventive care, health care and health insurance, may be paid in accordance with customary market terms. The other benefits shall amount to not more than 10 per cent of total fixed annual salary.

#### *Termination of employment*

Fixed remuneration during notice periods and severance payment, including payments for any restrictions on competition, shall in aggregate not exceed an amount equivalent to the fixed remuneration for 12 months for the CEO and no more than 12 months for other senior executives. No severance pay shall be paid in the case of termination by the employee.

#### **Salary and employment conditions for employees**

In the preparation of the Board of Directors' proposal for these remuneration guidelines, salary and employment conditions for employees of the Company have been taken into account by including information on the employees' total income, the components of the remuneration and increase and growth rate over time, in the remuneration committee's and the Board of Directors' basis of decision when evaluating whether the guidelines and the limitations set out herein are reasonable.

#### **The decision-making process to determine, review and implement the guidelines**

The Board of Directors has established a remuneration committee. The committee's tasks include preparing the Board of Directors' decision to propose guidelines for executive remuneration. The Board of Directors shall prepare a proposal for new guidelines at least every fourth year and submit it to the AGM. The guidelines shall be in force until new guidelines are adopted by the general meeting. The remuneration committee shall also monitor and evaluate programs for variable remuneration for the executive management, the application of the guidelines for executive remuneration as well as the current remuneration structures and compensation levels in the Company. The members of the remuneration committee are independent of the Company and its executive management. The CEO and other members of the executive management do not participate in the Board of Directors' processing of and resolutions regarding remuneration-related matters in so far as they are affected by such matters.

#### **Derogation from the guidelines**

The Board of Directors may temporarily resolve to derogate from the guidelines, in whole or in part, if in a specific case there is special cause for the derogation and a derogation is necessary to serve the Company's long-term interests, including its sustainability, or to ensure the Company's financial viability. As set out above, the remuneration committee's tasks include preparing the Board of Directors' resolutions in remuneration-related matters. This includes any resolutions to derogate from the guidelines.

*Item 13 – Resolution on the establishment of a long-term incentive program (LTIP 2020) including (A) establishment of LTIP 2020, (B) authorisation for the Board of Directors to resolve on directed issue of shares of series C, (C) authorisation for the Board of Directors to resolve on acquisition of own shares of series C, and (D) transfer of own ordinary shares.*

The Board of Directors proposes that the AGM resolves to establish a long-term incentive program ("LTIP 2020") in accordance with item A below. Unlike the program resolved by the extraordinary general meeting 2019, LTIP 2020 is directed only to two additional senior executives. LTIP 2020 follows otherwise similar principles as the long-term incentive program resolved by the extraordinary general meeting 2019. Resolution under item A shall be conditional upon the AGM resolves on hedging measures relating to LTIP 2020 in accordance with the proposal under item B-D below.

#### **LTIP 2020 in brief**

The Board of Directors' proposal involves:

- the establishment of LTIP 2020 under which certain senior executives appointed after LTIP 2019 may be granted a total of 46,510 ordinary shares in the Company subject to the satisfaction of certain vesting requirements: and
- for the purpose of ensuring delivery of shares and hedging social security costs under LTIP 2020:
  - an authorisation for the Board of Directors to issue not more than 46,510 shares of series C to a third party designated by the Company and to acquire such own shares of series C; and
  - transfer of 46,510 own ordinary shares

The purpose of LTIP 2020 is to encourage a broad ownership amongst the group's employees, facilitate recruitment, maintain competent employees, increase the alignment of interest between the employees and the Company's shareholders and increase motivation to reach or exceed the Company's financial targets.

#### **A. Establishment of LTIP 2020**

The Board of Directors proposes that LTIP 2020 is established in accordance with the following principal terms and conditions.

1. LTIP 2020 is directed to two full-time senior executives of the group (corresponding to category 2 of LTIP 2019) which has been appointed after the end of the vesting period of LTIP 2019, collectively referred to as the “**Participants**”.
2. Participation in LTIP 2020 requires the Participants to acquire ordinary shares in the Company or allocate already acquired ordinary shares to the program (“**Savings Shares**”). The maximum investment permitted in Savings Shares is 4,651 Saving Shares. Acquisitions of Savings Shares must be made no later than on 19 May 2020. If applicable insider rules and regulations prohibit a Participant from purchasing shares in the Company during the period up until 19 May 2020, the Board of Directors has the right to postpone the last day of investment for such Participant.
3. Each Savings Share entitles the Participants, subject to the limitations set out in item 4 as well as the satisfaction of the requirements set out in item 6, the right to receive up to five shares in the Company free of charge (“**Performance Shares**”) depending on category and satisfaction of the performance requirements specified in the table below.

Category	Performance Shares for the satisfaction of Requirements 1 <sup>1</sup>	Performance Shares for the satisfaction of Requirements 2 <sup>1</sup>	Performance Shares for the satisfaction of Requirements 3 <sup>1</sup>
2	Up to 1.0	Up to 2.0	Up to 2.0
1) Maximum number of shares per Savings Share that entitle the Participant to allotment of Performance Shares pursuant to the terms and conditions of LTIP 2020. Requirements 1-3 are defined in item 7 below.			

4. In aggregate, a maximum of 46,510 Performance Shares may be allotted to the Participants.
5. The period commencing on 19 May 2020 (or the later date determined by the Board of Directors in accordance with item 2 above) and expiring three years after such date is below referred to as the “**Vesting Period**”. Performance Shares are expected to be allotted to the Participants within 30 days from the expiry of the Vesting Period, or as soon as practicable thereafter in order to comply with rules and regulations applicable on delivery of Performance Shares.
6. The right to receive Performance Shares is conditional upon the Participant’s employment not having been terminated and all Savings Shares being retained by the Participant during the entire Vesting Period. The Board of Directors has the right to waive these conditions for example, where a Participant’s employment is terminated as a result of death, long-term illness, statutory retirement age or if the group has given notice of termination of the participant’s employment without cause (including, for the avoidance of doubt, notice of termination due to redundancy/shortage of work (Sw. *arbetsbrist*)).
7. For the Participants, the right to receive Performance Shares is conditional upon the satisfaction of the performance requirements set out below.

**Requirement 1** means that the TSR during the Vesting Period shall be positive.

“TSR” means the sum of the price change of the Company’s ordinary share on Nasdaq Stockholm, added with the value of any reinvested cash dividends per share, during the Vesting Period.

**Requirement 2** is based on the Organic Growth during the financial years 2020-2022, and:

- (i) a CAGR below 3% means that no Performance Shares shall be allotted
- (ii) a CAGR equal to or above 6% means that the maximum number of Performance Shares shall be allotted
- (iii) a CAGR between 3% and 6% means that the allotment of Performance Shares shall be linear in relation to the allotment set out in (i)-(ii)

“Organic Growth” means change in net sales during the current period, excluding acquisitions and currency effects, in relation to net sales of the corresponding period of the preceding year.

**Requirement 3** is based on the Organic Growth in Adjusted EBITA during the financial years 2020-2022, and:

- (i) a CAGR below 4 % means that no Performance Shares shall be allotted
- (ii) a CAGR equal to or above 8 % means that the maximum number of Performance Shares shall be allotted
- (iii) a CAGR between 4 % and 8 % means that the allotment of Performance Shares shall be linear in relation to the allotment set out in (i)-(ii) above.

“Organic Growth in Adjusted EBITA” means change in Adjusted EBITA during the current period, excluding acquisitions and currency effects, in relation to Adjusted EBITA for the corresponding period of the preceding year.

“Adjusted EBITA” means earning before financial items and taxes, excluding acquisition related purchase price allocation (PPA) amortisation and adjusted for the impact of items affecting comparability.

8. The Board of Directors shall for each Participant determine the number of Performance Shares that may be allotted within the applicable ranges set forth in item 3 above.
9. The number of Performance Shares to be allotted (if any) may be recalculated by the Board of Directors in the event of share issues, share splits, reversed share splits or similar events.
10. If significant changes occur in the Company or in the market, or in the event the costs for LTIP 2020 significantly exceed the estimated costs, and this, in the opinion of the Board of Directors, results in a situation where the conditions for allotment of Performance Shares become unreasonable, the Board of Directors is entitled to make adjustments to LTIP 2020, including, among other things, to resolve on a reduced allotment of Performance Shares, or to not allot any Performance Shares at all.
11. Participation in LTIP 2020 requires that it is permitted and appropriate with regards to applicable laws and regulations in the jurisdiction in which the relevant Participant is resident and that the Board of Directors deems it feasible at reasonable administrative and financial costs.
12. In the event delivery of Performance Shares to a Participant cannot take place under applicable law or at reasonable cost or with reasonable administrative effort, the Board of Directors may pay a part of the entire allotment to such Participant in cash instead of shares. The Board of Directors may also retain allotted Performance Shares and settle a part of the allotment in cash in order to facilitate the payment of the Participants’ tax liabilities.
13. The Board of Directors is responsible for the detailed design and implementation of LTIP 2020. Accordingly, the Board of Directors is to prepare and execute any necessary full-text documentation to the participants and otherwise manage and administer LTIP 2020.

#### *Estimated costs for LTIP 2020*

The costs for LTIP 2020 will be calculated in accordance with IFRS 2 and distributed over the Vesting Period.

Assuming a share price of SEK 43 at the time of implementation of LTIP 2020, that each Participant invests in Saving Shares up to the maximum amount, that 50 per cent of the maximum number of Performance Shares are allotted and an annual share price increase of 10 per cent during the Vesting Period, the total cost for LTIP 2020, including social security costs (at an average rate of 16 per cent), is estimated to approximately SEK 1.2 million.

#### *Dilution effect*

In order to secure delivery of shares under LTIP 2020 and to secure and cover social security charges, the Company will issue and acquire 46,510 own shares of series C, corresponding to approximately 0.05 per cent of the total number of shares and votes in the Company (as per the date of notice of the AGM, the number of shares in the Company amounts to 97,670,567 shares).
