## Karnov Group launches its first generative AI legal assistant at today's Capital Markets Day

Karnov Group (publ) is pleased to announce the launch of its first generative AI legal assistant. Management will present this solution, and its ambitious AI pipeline among other things, at the 2023 Capital Markets Day, held today in Stockholm and broadcasted live.

Karnov Group today launches its first generative AI solution for legal professionals, K+ Smart Chat. The solution will be integrated on the legal information platform in Region South. The solution has been tested by selected customers in Spain and is currently in beta. Karnov Group intends to launch a similar generative AI solution in Region North.

*"Generative AI is a great opportunity for Karnov Group to enhance our value proposition and support our customers in making better decisions, faster. We have a long experience of AI innovation and an ambitious pipeline of future AI innovations"* **says Pontus Bodelsson, President and CEO of Karnov Group.**

*"Karnov Group has worked with Artificial Intelligence for many years. Generative AI adds a new dimension to content interaction. Our generative AI solution is anchored in our premium proprietary content, which ensures certainty"* **supplements Anne Nørvang Hansen, Group Head of Content Strategy of Karnov Group.**

The generative AI solution will be presented today at Karnov Group's 2023 Capital Markets Day. The event will be webcasted live from 12:00 pm CEST at <https://ir.financialhearings.com/karnov-group-cmd-2023>.
